Subject: Resignation

Dear Commissioners:

It is with regret and bittersweetness, that I submit my formal resignation from the County of Santa Barbara Citizens Independent Redistricting Commission, effective July 7<sup>th</sup>, 2021.

Coming to this decision was not easy since it means leaving home, but I have recently accepted an amazing employment opportunity in the Bay Area that will require me to relocate.

I am grateful to this amazing commission and the Citizens of Santa Barbara County for trusting me and for allowing me to serve them these past several months as I have learned so much from everyone! I offer my best wishes to the commission as the task of redistricting continues.

Sincerely,

Jannet Rios  
Former District 5 Commissioner
